TRANSFORMATION THROUGH EDUCATION

"Even if you stumble time and time again, with effort you can achieve your dreams and goals." — Marcelina, Middle School

25-26
ANNUAL REPORT

WELCOME FROM THE FOUNDER & EXECUTIVE DIRECTOR

Dear Friends,

At Advancing Students Forward, our mission is simple yet profound: to provide students from underserved communities with the educational opportunities, guidance, and support they need to build brighter futures for themselves, their families, and their communities.

That mission comes to life because of you. Every scholarship awarded, every mentoring conversation, every leadership opportunity, and every milestone celebrated is made possible through the generosity of a community that believes every student deserves the opportunity to succeed. Your support is not only helping students earn an education; it's empowering young people to discover their potential, overcome obstacles, and make a difference in their communities.

This year has also been one of growth and renewal for ASF. Alongside supporting our students, we have invested in strengthening the organization itself through thoughtful planning, enhanced communications, new partnerships, and initiatives designed to ensure that ASF remains a sustainable and impactful resource for generations to come. These efforts allow us to better serve today's students and alumni while preparing for tomorrow's opportunities.

Thank you for believing in our mission, investing in our students, and standing beside us as we continue building a future where every young person has the opportunity to thrive.

With deepest gratitude,

Monica Santos
